Sat, Dec 17, 2:52 AM

Hey text me when you're up in the morning. we gotta talk.

Edwin crossed the fucking line tonight and I will not stand for this anymore. We lost track of chey at the end of the night and I tried texting her bc I was worried she was with Edwin. She she called me that he was chasing her down the street. We found her crying on the street. I tried to punch and kick him and told him I was going to kill him . She was sobbing uncontrollably and scared all night as we took her home. I'm still shaking and I know it would mean a lot to her to get some comfort from you. But let me know when you're up. Sorry for the weird text

I can't stop shaking Jesse I want to fucking rip his limbs apart and gouge his eyes out and torture him

Have you heard from chey? When I called her at noon, she was getting into the parking garage. I wanna make sure she got home safely and she hasn't answered me

I haven't since the group chat.

Okay I'll give her about 30 more minutes and then I'll call. I don't wanna blow up her phone all day and stress her

Sounds good. Yeah, agreed.

Sat, Dec 17, 3:00 PM

I tried calling and texting her 30 min ago and haven't heard. Think she's just with her parents and she's busy talking to them?

She's okay she's with her mom

I'm just waiting for the adrenaline to die down still. Just got some food bc I barely ate

I couldn't catch Brennan but I did talk to concierge to put in an alert not to let Edwin in and I gave them a picture of him

I'll talk to the front office on Monday

Yeah, processing food can help your body mellow out the adrenaline high.

Ok, cool. That's good.

Anything I can do for you?

Can we do movies and fen cuddles tonight

Yep. Sounds like a plan.

Perfect ❤️

Sounds good ❤️

I'll talk to her tomorrow and see what she wants to do

He said they've been dating for 6 months

Asked me if I wanted to see his texts for proof. I said yes, immediately

No I completely agree. There's clearly something off with him, and we all did things he's probably been stewing on the last 2 days

I'll let you know what JBARR says

How you holdin up?

Well I think the adrenaline has finally worn off but I still start shaking again every time I tell someone about it, it makes me so angry. I feel so guilty that I let her out of my sight

And you kept saying we should go look for her and I didn't

And he was doing all kinds of fucked up things throughout the night that I didn't catch

None of us did. So if you're implying in any way that you let this happen, you didn't. He found the perfect time to strike, and he took advantage of it. And it sounds like he was doing that all night, and likely has done it before cuz he knows we'd all beat the shit out of him if he did it with us around.

I know 😞 I just wish he hadn't found that perfect time

I haven't talked to her yet about what her parents have said but I really hope she's willing to go to HR or the conversation we have with Joe is gonna be a weird one

EDWIN LEON: Chey what - what - are you there?

CHEYENNE GOODMAN: I'm here.

EDWIN LEON: What's going on?

CHEYENNE GOODMAN: I feel like I'm going to have a panic attack.

EDWIN LEON: Are you okay? Do you need me to call somebody?

CHEYENNE GOODMAN: Uh-uh.

EDWIN LEON: First did you make it home okay?

CHEYENNE GOODMAN: Uh-huh.

EDWIN LEON: Are you safe?

CHEYENNE GOODMAN: You scared me.

EDWIN LEON: I scared you?

CHEYENNE GOODMAN: Uh-huh.

GENEVIEVE BOLAND: What did I do to scare you? I don't understand how. What did I do to scare?

CHEYENNE GOODMAN: [unintelligible]

EDWIN LEON: What?

CHEYENNE GOODMAN: Can - Can i just have a moment?

EDWIN LEON: Yeah no, take your breath. Take a second.

GENEVIEVE BOLAND: What is she talking about?

EDWIN LEON: She's playing. She's playing. She's gonna walk it back. She's done this before.

CHEYENNE GOODMAN: What happened?

GENEVIEVE BOLAND: I don't get it.

CHEYENNE GOODMAN: Are you home?

EDWIN LEON: Can I do anything?

CHEYENNE GOODMAN: Are you home?

EDWIN LEON: I'm home yeah. Dude I - I have scratches on my face.

CHEYENNE GOODMAN: From what?

EDWIN LEON: Nehama attacked me.

CHEYENNE GOODMAN: What?

EDWIN LEON: Yeah like did you not see it?

CHEYENNE GOODMAN: [unintelligible]

GENEVIEVE BOLAND: Resay it. I would just say everything that Nehama said.

EDWIN LEON: Wait. Did you hear what Nehama said to me?

CHEYENNE GOODMAN: No.

EDWIN LEON: She literally goes, if you ever put your hands on her again I will kill you, Jesse will kill you, as she's hitting me.

CHEYENNE GOODMAN: I didn't - I can't breathe. Can you talk? I can't breathe.

EDWIN LEON: What?

CHEYENNE GOODMAN: Can you just talk? I can't breathe.

GENEVIEVE BOLAND: Don't call her back, tell her to call you back when she's ready.

EDWIN LEON: Chey can you call me back when you catch your breath? I want you to be safe can you call me back?

CHEYENNE GOODMAN: Can you just talk please?

EDWIN LEON: I don't know what to talk about Chey I'm so confused about what happened tonight. Like I thought we were getting french fries and all of a sudden Nehama was beating the shit out of me and I don't know what to do about that. Like. Do you know what she was talking about?

CHEYENNE GOODMAN: She called me.

EDWIN LEON: What?

CHEYENNE GOODMAN: She called me.

EDWIN LEON: She called you?

CHEYENNE GOODMAN: She called me.

EDWIN LEON: Who did?

CHEYENNE GOODMAN: Nehama.

EDWIN LEON: Like just now, do you have to go?

CHEYENNE GOODMAN: No.

EDWIN LEON: Wait Nehama called you?

CHEYENNE GOODMAN: Uh-huh.

EDWIN LEON: Do you have to go?

CHEYENNE GOODMAN: No.

GENEVIEVE BOLAND: Like what are you talking about when did Nehama call you?

CHEYENNE GOODMAN: I just need a moment.

EDWIN LEON: Alright take your time make sure you're safe.

CHEYENNE GOODMAN: [unintelligible]

EDWIN LEON: What's that?

CHEYENNE GOODMAN: How did you get home?

GENEVIEVE BOLAND: I drove. I'm sober.

EDWIN LEON: I drove. The cops talked to me and they gave me a breathalyzer and I'm literally sober so I was able to drive.

CHEYENNE GOODMAN: They didn't talk to me.

EDWIN LEON: Well that's why I'm confused. So after like Nehama started to hit me um Emily and her boyfriend literally carried you away and Nehama ran to you and she was still screaming at me and like walking away -

CHEYENNE GOODMAN: I was having a panic attack.

EDWIN LEON: What?

CHEYENNE GOODMAN: I was having a panic attack.

EDWIN LEON: Right now or before?

CHEYENNE GOODMAN: Before.

GENEVIEVE BOLAND: Why don't we talk another time then? Well it was before. Tell her what the guys said. Just say you were missing something I don't understand.

EDWIN LEON: Chey like I'm confused because like I care about you and I want to understand what happened. Like I don't understand what happened tonight. After you left Tim and Alex walked up to me and were like we talked to Nehama like we know what you did and i was like what are you guys talking about? And like we -

CHEYENNE GOODMAN: She called me and - she called me and - [unintelligible] and I was just asking you to stop chasing me and she thought they were going to pick me up and take me home and I hung up and and [unintelligible] I was having a panic attack and -

GENEVIEVE BOLAND: Oh she was just - she was blacked out - she literally just blacked out

CHEYENNE GOODMAN: [unintelligible] and then you collapsed and I didn't know what to do.

EDWIN LEON: But that's what I'm saying like I'm confused because I heard you on the phone because you were like I'm walking to City Hall to get an Uber by myself I don't know why they came like why did they come?

CHEYENNE GOODMAN: I don't know why they came. Because they didn't want me to Uber by myself.

GENEVIEVE BOLAND: That's why you were there.

CHEYENNE GOODMAN: I just wanted to be alone. Let me be alone and I can't -

EDWIN LEON: Well Chey I'm confused because like I understand they showed up because they cared about you but that's the reason why I was there, that's the reason I was following you because like you got kicked out of the bar and then you just started running to City Hall like I didn't want to leave you alone. I don't -

CHEYENNE GOODMAN: I just wanted to be alone.

GENEVIEVE BOLAND: That's fine but you can't be in the middle of fucking Philly.

EDWIN LEON: Well no I understand what you're saying I know you wanted to be alone but like you can't do that in the middle of Philly you can't do that in the middle of the city. Especially at 1 o'clock in the morning after drinking.

GENEVIEVE BOLAND: You were just trying to make sure she got in an Uber okay.

CHEYENNE GOODMAN: I wanted to be alone and you were chasing me –

EDWIN LEON: Well –

GENEVIEVE BOLAND: You weren't chasing her – were you running?

EDWIN LEON: Yeah, I was definitely chasing her.

GENEVIEVE BOLAND: Oh.

EDWIN LEON: Chey I mean like the whole point though as my car was in the city. I didn't drink I was trying to make sure you got in an Uber safely. I was going to walk back to my car.

CHEYENNE GOODMAN: Can you –

EDWIN LEON: Like I just wanted to make sure you were safe Chey, I heard you on the phone, I heard you telling everybody that you were taking the Uber alone, I just wanted to make sure you got in the Uber. The whole point was to walk with you, get you in the Uber, and then go home. Like you know I would have gotten you home, you could have gone home with me, like whatever you wanted I just wanted to make sure you were safe.

CHEYENNE GOODMAN: I just – wanted to be able to walk alone and you were chasing me –

GENEVIEVE BOLAND: She's drunk this is completely – this is ridiculous.

EDWIN LEON: But, given how drunk she is is helpful and that's okay to record it too.

GENEVIEVE BOLAND: I don't know...

EDWIN LEON: Like. I. Chey. I think what I'm confused about is did I do something wrong? Like do you think I did something wrong?

CHEYENNE GOODMAN: You were chasing me. I can't breathe. Can you hold on. Just –

CHEY GOODMAN HANGS UP.

GENEVIEVE BOLAND: What the fuck bro?

EDWIN LEON: You see what I'm dealing with?

EDWIN LEON: Are you okay?

CHEYENNE GOODMAN: [unintelligible]

EDWIN LEON: Chey do you want me to call somebody? Should I call the ambulance or something?

CHEYENNE GOODMAN: No please. I'm fine - I'm fine now.

GENEVIEVE BOLAND: I gotta go downstairs for two minutes

CHEYENNE GOODMAN: I'm fine - I'm fine.

EDWIN LEON: Wait, give me a sec let me grab my airpods

EDWIN LEON: Hello?

CHEYENNE GOODMAN: I'm here.

EDWIN LEON: Can you hear me now?

CHEYENNE GOODMAN: Yeah.

EDWIN LEON: Okay, sorry. Dude it was. It's such a weird night I thought we were fine and - what happened?

CHEYENNE GOODMAN: I just wanted you to stop chasing me. You would stop chasing me and - and I'm - [unintelligible]

GENEVIEVE BOLAND: Why did Nehama start hitting me?

EDWIN LEON: No I I get that like you asked me to go get you french fries I understand that you didn't want me chasing you like I was only with -

CHEYENNE GOODMAN: You were chasing and I -

EDWIN LEON: But why did Nehama start hitting me?

CHEYENNE GOODMAN: Because she called me while you were chasing me.

EDWIN LEON: But why did she say that though? She said don't ever put your hands on her again like why?

CHEYENNE GOODMAN: I don't know - she called me while you were chasing me and I'm running - she and I - and I was trying to tell her to come pick me up I want to go home and he was chasing me and she heard me tell you stop chasing me and - I don't - I need - I can't get this off. I can't breathe. I can't breathe.

EDWIN LEON: Do you need me to call somebody?

CHEYENNE GOODMAN: No. Can you just -

EDWIN LEON: Do want me to text Jesse or Nehama or somebody to come check on you?

CHEYENNE GOODMAN: No. I need the water to run and then I'll be fine.

CHEYENNE GOODMAN: [unintelligible]

GENEVIEVE BOLAND: This is worse

EDWIN LEON: I'm here are you okay?

CHEYENNE GOODMAN: Hello?

EDWIN LEON: Hello?

CHEYENNE GOODMAN: Are you still there?

EDWIN LEON: Yeah are you okay?

CHEYENNE GOODMAN: I'm fine I just needed the hot water, I'm fine.

EDWIN LEON: She really might not be okay. I really - if she [unintelligible] I really should call somebody. Like she like -

GENEVIEVE BOLAND: She knows what to do. Like you just have to get her to try and calm down.

EDWIN LEON: Like she probably genuinely can't breathe because her CF like if she has a panic attack she could die.

GENEVIEVE BOLAND: Just try and calm her down.

EDWIN LEON: Are you okay? Just -

CHEYENNE GOODMAN: I'm okay.

EDWIN LEON: Just try to breathe. Just try to slow down. I'm here just slow down, take a deep breath. Chey like you're okay just please take a deep breath.

CHEYENNE GOODMAN: [unintelligible]

GENEVIEVE BOLAND: It's not worth saying anything about what the guys said just save that for when she's not having a panic attack it's not worth it.

EDWIN LEON: [unintelligible]

GENEVIEVE BOLAND: Just say I feel like I'm missing something like I don't know why she had the reaction that she did

EDWIN LEON: Chey. Chey. Chey can I ask you something?

CHEYENNE GOODMAN: Yeah.

EDWIN LEON: Are you okay, like do you need a second or?

CHEYENNE GOODMAN: I'm fine I just [unintelligible]

EDWIN LEON: What did you say?

CHEYENNE GOODMAN: I'm fine I just needed the hot water I'm fine.

CHEYENNE GOODMAN: She - she called me while you chased me. She called me and I answered while you chasing me and I put the phone down and I didn't hang up and she heard me yelling at you please stop chasing me.

EDWIN LEON: But why would she attack me because I was chasing you?

CHEYENNE GOODMAN: I don't know.

EDWIN LEON: Like you didn't say anything else that would make her do that? Like I just Chey I don't -

CHEYENNE GOODMAN: [unintelligible] I was talking on the phone - talking to you and you were right there and I was scared.

EDWIN LEON: But what were you scared of?

CHEYENNE GOODMAN: You were chasing me

EDWIN LEON: I was trying to get you home safe Chey.

GENEVIEVE BOLAND: [unintelligible]

CHEYENNE GOODMAN: I was begging you to stop.

EDWIN LEON: Wait Chey did you genuinely not say anything for her to attack me like that?

CHEYENNE GOODMAN: I - I - [unintelligible] please stop chasing me. You were chasing me and I was holding it.

I know I'm still physically shaking from the shock and anger. She is really scared of him and what he'll do to her. He has a lot of guns

I can't believe he said they had been in a relationship for 6 months even if they have he shouldn't be acting like that. That is so crazy.

And I just want to confirm that neither of you has ever told him my apt number? I'm not sure if it has ever come up but I have to cover my bases

Bro, you have no idea

To put it simply, Edwin harassed Chey last night and Nehama punched him in the face I think

Edwin then called the cons and

Edwin then called the cops and entered a complaint I think

Wtf

Are you fucking serious?

Yeah

What did he do to Chey?

Was Roxanne there for all this?

No, me and Alex were with Roxanne and her sister walking to Alexs car when we ran into them. Chey was hyperventilating and then me and alex ran around and found edwin with the cops

I don't know exactly what happened yet. Will fill you in when I know more

Was she locked up?

Yeah, I just talked to Nehama and Chey isn't doin good which kind of tells you everything

Fuck

What did he do to Chey?  
Nehama may have just been  
defending a friend from a sexual  
assault. She might have to file a  
complaint to help Chey

That's what Nehama just said  
she thinks happened.

She's gonna have to file a  
complaint to counter edwins.  
Apparently edwin called chey  
last night after everything  
happened and threatened her  
that he was gonna press assault  
charged on edwin if chey didn't  
text all of us and tell us he didn't  
do anything to her
